Dear NYSSMA Members,

The New York State School Music Association will sponsor a Research Gallery Session at its 2023 annual winter conference in Rochester, New York, November 30 – December 3. This year's Research Gallery Session will be held on Saturday, Dec. 2 at 9:30 a.m. Researchers are encouraged to display their poster upon arrival at the conference, allowing attendees to become familiar with the displays well before the Saturday morning session.

Research Topics Sought: Research paper abstracts focusing on topics in music education, music performance, music therapy, or other related topics are welcome. Researchers whose projects are selected will be required to prepare a visual presentation of their research and to be available during the Research Gallery Session to discuss their work with interested conference attendees. Projects may be completed or in progress, and only an abstract is required for consideration.
