 - Everyone is pretty much willing to record
 - We should have a plan for the reels so it's not just announcements, make it fun
 - Insta reels- pre record and send to someone on an account or should we have password access to the account?
 - Pre recording might work better

Madison will post bios on insta, send any changes to her

- College resource hub- not in budget to make a website, but we could do it through FB or a updating hyperlink on NYSSMA website
- Resources examples would be lesson plans, ability to gain feedback, etc.
basically any resources the Eboard wants to share with college music educators of NY
