Fredonia is an incredible district to work for with a supportive staff, administration, board of education, students, and parents. Fredonia has been designated as a NAMM Best Community for Music Education for the past twelve years. We are looking for an exceptional educator with a passion for beginning and middle level strings to join our team.

Many possibilities for partnerships with area arts organizations exist as well. Notably, we have hosted groups such as the Canadian Brass, supported commissioning projects, partnered often with the SUNY Fredonia School of Music, and featured Buffalo Philharmonic musicians as soloists.
