Fredonia is an incredible district to work for with a supportive department, staff, administration, board of education, students, and parents. Fredonia has been designated as a NAMM Best Community for Music Education for the past thirteen years. We are looking for an exceptional educator with a passion for middle school vocal and general music.

Many possibilities for partnerships with area arts organizations exist as well. Notably, we often partner with the SUNY Fredonia School of Music, support commissioning projects, bring in outside professionals to work with our students and perform with various organizations in Western NY.
